## SKILLS

**Technical Skills:** Tailwind css, Responsive Web Design, HTML5, RESTful APIs, MongoDB, Express.js, Node.js, Git, Redux, React, JavaScript

**Soft Skills:** Teamwork, Adaptability, Time Management, Effective Communication

## PROJECTS

### Elegance-Perfume | *React, Tailwind CSS, Framer-Motion, Clerk*

- 🔗 Deployed Link : <https://perfumes-steel.vercel.app>
- 📁 Github Repo : <https://github.com/AnshikSuhane/frontend.git>
- Developed a user-friendly web application for premium perfume browsing using React and Tailwind CSS.
- Implemented wishlist and shopping cart features to enhance the shopping experience.
- Designed and styled a responsive interface optimized for mobile, tablet, and desktop devices.
- Created an animated contact page utilizing Framer-Motion for interactive user engagement.
- Integrated Clerk for secure user authentication and account management.

### Ecommerce Application | *React, TypeScript, Tailwind CSS, Responsive Web Design, Git*

- 🔗 Deployed Link : <https://health-tracker-a187.vercel.app/>
- 📁 Github Repo : <https://github.com/Anuj270402/LuxeLane.git>
- Developed dynamic and responsive product detail pages for an e-commerce platform using React, TypeScript, and Tailwind CSS.
- Implemented real-time product data fetching from Firebase Realtime Database, displaying images, pricing, stock levels, and ratings.
- Integrated interactive features such as image carousels, quantity controls with stock validation, and add-to-cart functionality with toast notifications.
- Designed filter and search options, including category, size, and material filters, to enhance user experience and product discoverability.
- Utilized React hooks and modular components for clean code, state management, and smooth interface transitions across devices.
